Please note that your e-mail, like most, if not all, non-encrypted Internet e-mail communications, may be accessed and viewed by other Internet users, without your knowledge and permission, while in transit to us. Other information; "cookies" and "tags"

You should also be aware that when you visit our website, we collect certain information that does not identify you personally, but provides us with "usage data," such as the number of visitors we receive or what pages are visited most often. This data helps us to analyze and improve the usefulness of the information we provide on our website.

Like most commercial website owners, we may use what is known as "cookie" technology. A "cookie" is an element of data that a website can send to your browser when you link to that website. It is not a computer program and has no ability to read data residing on your computer or instruct it to perform any step or function. By assigning a unique data element to each visitor, the website is able to recognize repeat users, track usage patterns and better serve you when you return to that site. The cookie does not extract other personal information about you, such as your name or address.

Linking to other sites

The LSP website may provide links to other websites, not owned or controlled by LSP that we think might be useful or of interest to you. We cannot, however, be responsible for the privacy practices used by other website owners or the content or accuracy of those other websites. Links to various non-LSP websites do not constitute or imply endorsement by LSP of these websites, any products or services described on these sites, or of any other material contained in them.

Security

LSP has adopted and adheres to stringent security standards designed to protect information on this site against accidental or unauthorized access or disclosure. Among the safeguards that Aetna has developed for this site are administrative, physical and technical barriers that together form a protective firewall around the information stored at this site. We periodically subject our site to simulated intrusion tests and have developed comprehensive disaster recovery plans.

Changes to this statement

LSP may change this Statement from time to time; when updates are made, the Privacy Policy version date will also be updated to reflect that a revision occurred. We encourage you to periodically reread this Policy to see if there have been any changes that may affect you.
